

Country: India**Diploma:** Master of Commerce**Description**

Diploma: Master of Commerce

abbreviation: M.Com.

degree type: Masters (2 years)

field of study: commerce

graduating
class: A5

comment: Academic qualification of the first stage of postgraduate studies after a regular 2-year study period in economics/"commerce", is usually acquired in a specialization of the previous first degree (usually a 3-year bachelor's degree, eg Bachelor of Commerce).

A scientific thesis is not mandatory and can vary greatly in type and scope.

M.Com. degrees are generally permitted as distance learning courses, but must have been approved by the local authority at the time of study.

Evaluation

equivalence class	Corresponding German degree type	comment
Is equivalent to	Magister / Master - consecutive	In connection with a regular 3 to 4-year bachelor's degree. In the case of distance learning degrees, the distance learning course must have been approved by the competent local authority at the time of study.
